

NATHAN COX

ARCHITECT

EDUCATION

Master of Architecture, University of Illinois at Urbana-Champaign

Bachelor of Science, Architectural Studies, University of Illinois at Urbana-Champaign

PROFESSIONAL REGISTRATIONS

Registered Architect, Illinois

Nathan joined Eckenhoff Saunders in 2017 and primarily focuses on the design of healthcare spaces. He works closely with our clients, including Rush University Medical Center, DuPage Medical Group, and Silver Cross Hospital on complex, multi-phased projects.

During his time at the University of Illinois at Urbana-Champaign, Nathan collaborated on a cross-functional team focused on buildings' sustainability and effectiveness. This role gave him great insight into both green building practices as well as engineering mindsets. Nathan is an Illinois licensed architect.
