

KRISTA NEERDAELS

INTERIOR DESIGNER

EDUCATION

Bachelor of Science,
Interior Architecture,
University of Wisconsin–Madison

Krista, a recent graduate of the University of Wisconsin-Madison, joined Eckenhoff Saunders in 2017. Since that time, she has become a “go-to” interior design member of our workplace, healthcare, and education market teams. Krista has an enthusiasm and drive for learning that bellies her emerging level of experience as she jumps into a wide variety of projects, providing critical design and production support to teams. Krista serves clients well during early free-thinking design workshops and oversees various tangible and digital deliverables at each project phase, including comprehensive close-out materials.
