De Montfort University,
Leicestershire, England

AWARDS & PUBLICATIONS

National School Board Association,
AIA Exhibition of School Architecture -
Citation of Excellence, Frances Xavier
Warde School (2006)

Rod is experienced in managing highly technical projects and maintaining quality oversight throughout their construction. He served as project manager for the new 145,000 sf LEED Silver Certified Ambulatory Care Center and Connector at Glenbrook Hospital in Glenview, Illinois. The building houses the hospital's Kellogg Cancer Center, neurological institute, sleep center, healing garden, medical office suites, a pharmacy, cafe, and other patient amenities.

He also served as project manager for the award-winning 26-story Eurostars Magnificent Mile (formerly the Dana Hotel and Spa), a high-end contemporary boutique hotel in Chicago's River North neighborhood in addition to the LEED Gold Certified Museum of Broadcast Communications in Chicago's entertainment district.
