

SHUNDI ZHAN

ARCHITECTURAL DESIGNER

EDUCATION

Master of Architecture, Architecture,
University of California, Los Angeles
Bachelor of Science, Architecture,
University of Nebraska-Lincoln

Shundi joined Eckenhoff Saunders in 2019 after graduating from the University of California, Los Angeles' Master of Architecture program. He works closely with principals and other senior staff to develop elegant and carefully planned animations and renderings that bring our ideas and goals into reality. Shundi has worked with multiple clients in the commercial, performing arts, education, and hospitality sectors.
