

# JESSICA MULLIGAN

INTERIOR DESIGNER

## EDUCATION

Bachelor of Science, Interior Design,  
Southern Illinois University

Jessica recently joined Eckenhoff Saunders as an interior designer. She regularly participates in programming efforts, including space planning, FF&E coordination, and design analysis. She coordinates with clients to develop custom finish palettes, millwork, and furnishings. Jessica has a proven ability to transform client ideas into a clear, designed vision—translating them into construction drawings. Jessica has experience working on creative projects in the workplace, retail, and commercial markets that require technical attention to detail, clear communication, and coordination. She is currently pursuing NCIDQ Certification.
