

# CHANGZHOU GLOBAL ACADEMY

34-ACRE PRIVATE CAMPUS DEVELOPMENT

**CLIENT** Three W International | **LOCATION** Changzhou, China | **SIZE** 34 acres, 1.5M sf

**PROJECT SCOPE**

Eckenhoff Saunders partnered with 180 Studio and Three W International to create a new, state-of-the-art private school campus in Changzhou, China. The global academy will educate students from kindergarten to 12th grade, preparing them for the world’s top universities. The campus features multiple buildings, including academic classrooms, dining facilities, an athletic and wellness center, a visual and performing arts building, the institute for inquiry, creativity, and innovation, the institute for teaching and learning, and faculty and student residences. The 1.5 million square feet of indoor space is situated on a 34-acre site, serving more than 3,000 students. This pilot project will be used as a prototype for academies across China.
