

KYEORE LEE

ARCHITECTURAL DESIGNER

EDUCATION

Bachelor of Architecture,
Illinois Institute of Technology

Kyeore joined Eckenhoff Saunders as an architectural designer in May 2019. He enjoys creating spaces requiring unique ideas or solutions. He also regularly teams with principals and senior staff in multiple market sectors to develop beautiful plans and imagery, helping clients meet their project goals. Before joining Eckenhoff Saunders, Kyeore worked for a global architecture, urban planning, and engineering firm.
