American Institute of Architects (AIA)

U.S. Green Building Council

CIVIC AFFILIATIONS

Village of Burr Ridge, Illinois

Planning Commission, Chairman

Greg serves as the managing principal for Eckenhoff Saunders and has been with the firm since 1990. In addition to his management responsibilities, Greg has also delivered several significant commissions for the organization, including the award-winning Unicom Thermal Technologies Plants and the \$50 million Bernice E. Lavin Early Childhood Education Center and parking structure for Northwestern Memorial Hospital.

Of particular note, Greg has overseen the creation of a network of nearly 50 freestanding branch facilities for First American Bank throughout the Chicago area. This relationship's longevity has helped the bank develop and communicate a consistent brand image to its expanding customer base. As managing principal, Greg oversees all aspects of the firm's financial structure, staffing, and HR functions. Greg also chairs the Plan Commission of the Village of Burr Ridge, which he has served on since 2004.
