

# JUAN DEVIA, NCIDQ

INTERIOR DESIGNER

## EDUCATION

Bachelor of Architecture,  
Pontifical Xavierian University

Associate of Applied Science,  
Interior Design, St. Louis Community  
College-Meramec

## PROFESSIONAL REGISTRATIONS

NCIDQ

Juan recently joined Eckenhoff Saunders as an interior designer. He is NCIDQ certified and is currently pursuing NCARB certification. His design background includes experience in hospitality, healthcare, workplace, education, and residential markets. Juan utilizes multiple design platforms to hone his craft and bring his designs to life, including Revit, AutoCAD, Adobe Creative Suite, and many other 3D modeling and visualization applications. He is experienced in all stages of the design process, including space planning, concept development, construction documentation, architectural details, code review, specifications of architectural products, interior materials, and FF&E.
