PROFESSIONAL AFFILIATIONS

American Institute of Architects

Mark is adept at executing high levels of design within complicated team structures. He recently completed the 25,000 sf After School Matters Wing at the Gately Center in Pullman, where Eckenhoff Saunders was the design architect and owner's representative for the \$12M project. His project experience is diverse, including residential and healthcare markets. He is currently leading design and management efforts on a new \$45M South Loop Hotel and Event Center in Chicago's Historic Motor Row District.
